1. INTRODUCTION

The purpose of this circular is to provide Shareholders with information in respect of the resolutions to be proposed at the Annual General Meeting relating to (i) the re-election of the retiring Directors; (ii) the granting of the Issuance Mandate to the Directors; (iii) the

LETTER FROM THE BOARD

granting of the Repurchase Mandate to the Directors; and (iv) the extension of the Issuance Mandate by adding to it the nominal amount of the issued Shares repurchased by the Company under the Repurchase Mandate.

2. PROPOSED RE-ELECTION OF THE RETIRING DIRECTORS

Pursuant to Article 104(A) of the Current Articles of Association, at each annual general meeting of the Company, one-third of the Directors for the time being (or, if their number is not three or a multiple of three, then the number nearest but not less than one-third) shall retire from office. The Directors to retire in every year shall be those who have been longest in office since their last election but as between persons who became Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. The retiring Directors shall be eligible for re-election by the Shareholders at the relevant annual general meeting.

According to the foregoing provision, Mr John Ming Tak HO, Mr Maung Tun MYINT and Mr David Hon To YU shall retire by rotation at the Annual General Meeting. All of the above three retiring Directors, being eligible, will offer themselves for re-election at the said meeting. Pursuant to Rule 13.74 of the Listing Rules, a listed issuer shall disclose the details required under Rule 13.51(2) of the Listing Rules of any director(s) proposed to be re-elected or proposed new director in the notice or accompanying circular to its shareholders of the relevant general meeting, if such re-election or appointment is subject to shareholders' approval at that relevant general meeting. The requisite details of the above three retiring Directors are set out in Appendix I to this circular.

3. PROPOSED GRANTING OF THE ISSUANCE AND REPURCHASE MANDATES

At the annual general meeting of the Company held on 14 May 2010, general mandates were granted to the Directors to exercise the powers of the Company to issue new Shares and to repurchase Shares respectively. Up to the Latest Practicable Date, such mandates have not been used and, if not used by the date of the Annual General Meeting, will lapse at the conclusion of the Annual General Meeting.

Ordinary resolutions will be proposed at the Annual General Meeting to approve the granting of new general mandates to the Directors:

- (a) to allot, issue or deal with new Shares of an aggregate nominal amount not exceeding 20% of the total nominal amount of the issued share capital of the Company as at the date of passing of such resolution (i.e. an aggregate nominal amount of Shares not exceeding HK\$10,467,396.4 (equivalent to 52,336,982 Shares) on the basis that the issued share capital of the Company remains unchanged as at the date of the Annual General Meeting) (the "Issuance Mandate");
- (b) to purchase Shares, on the Stock Exchange or on any other stock exchange on which the Shares may be listed and recognized by the Securities and Futures Commission of Hong Kong and the Stock Exchange, of an aggregate nominal amount not exceeding 10% of the total nominal amount of the issued share capital

LETTER FROM THE BOARD

of the Company as at the date of passing of such resolution (i.e. an aggregate nominal amount of Shares not exceeding HK\$5,233,698.2 (equivalent to 26,168,491 Shares) on the basis that the issued share capital of the Company remains unchanged as at the date of the Annual General Meeting) (the “Repurchase Mandate”); and

- (c) to extend the Issuance Mandate by an amount representing the aggregate nominal amount of Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate.

The Issuance Mandate and the Repurchase Mandate will continue in force until the conclusion of the next annual general meeting of the Company held after the Annual General Meeting or any earlier date as referred to in the proposed ordinary resolutions contained in items 8 and 9 of the notice of the Annual General Meeting as set out on pages 16 to 19 of this circular. With reference to the Issuance Mandate and the Repurchase Mandate, the Directors wish to state that they have no immediate plan to issue any Shares or repurchase any Shares pursuant thereto.

In accordance with the requirements of the Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate. The explanatory statement as required by the Listing Rules in connection with the Repurchase Mandate is set out in Appendix II to this circular.

4. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT

The notice of the Annual General Meeting is set out on pages 16 to 19 of this circular. At the Annual General Meeting, resolutions will be proposed to approve, inter alia, the re-election of the retiring Directors, the granting of the Issuance Mandate and the Repurchase Mandate and the extension of the Issuance Mandate by the addition thereto of the nominal amount of Shares repurchased pursuant to the Repurchase Mandate.

Pursuant to the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. Accordingly, all the proposed resolutions will be put to vote by way of poll at the Annual General Meeting. An announcement on the poll vote results will be made by the Company after the Annual General Meeting in the manner prescribed under Rule 13.39(5) of the Listing Rules.

A form of proxy for use at the Annual General Meeting is enclosed with this circular and such form of proxy is also published on the websites of the Stock Exchange (www.hkexnews.hk) and the Company (www.greatchinaholdingsltd.com.hk). Whether or not you are able to attend the Annual General Meeting, please complete and sign the form of proxy in accordance with the instructions printed thereon and return it, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of that power of attorney or authority to the Share Registrar of the Company, Tricor Abacus Limited, at 26/F, Tesbury Centre, 28 Queen’s Road East, Wanchai, Hong Kong, as soon as possible but in any event not less than 48 hours before the

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. REASONS FOR REPURCHASE OF SHARES

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and the Shareholders.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 261,684,910 Shares.

Subject to the passing of the ordinary resolution set out in item 9 of the notice of the Annual General Meeting in respect of the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged as at the date of the Annual General Meeting, i.e. being 261,684,910 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, an aggregate nominal amount of Shares not exceeding HK\$5,233,698.2 (equivalent to 26,168,491 Shares), representing 10% of the aggregate nominal amount of Shares in issue as at the date of the Annual General Meeting.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association, the Companies Ordinance and/or any other applicable laws, as the case may be.

The Company is empowered by its Memorandum and Articles of Association to repurchase Shares. The Companies Ordinance provides that repurchase of shares may only be effected out of a company's distributable profits or out of the proceeds of a fresh issue of shares made for the purpose. Any amount of premium payable on the repurchase of shares shall be paid out of the company's distributable profits. If the shares to be repurchased were issued at a premium, any premium payable on the repurchase may be paid out of the proceeds of a fresh issue of shares made for the purpose, up to an amount equal to (i) the aggregate of the premiums received by the company on the issue of the shares repurchased; or (ii) the current amount of the company's share premium account (including any sum

transferred to that account in respect of premiums on the new shares), whichever is the less. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2010) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels, which in the opinion of the Directors are from time to time befitting the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, the Company's controlling Shareholders were collectively interested in 147,737,288 Shares, representing approximately 56.46% of the total issued share capital of the Company. Out of these Shares, 138,347,288 Shares (being approximately 52.87% of the total issued share capital of the Company) were held by Fulcrest Limited, 710,000 Shares (being approximately 0.27% of the total issued share capital of the Company) were held by Kwong Fong Holdings Limited and 8,680,000 Shares (being approximately 3.32% of the total issued share capital of the Company) were held by Kwong Fong Industries Corporation. The share capital of Fulcrest Limited was owned as to 51% by Asian Pacific Investment Corporation (a company controlled by Mr Rustom Ming Yu HO and Mr John Ming Tak HO, executive Directors) and as to 49% by Kwong Fong Holdings Limited (a wholly owned subsidiary of Kwong Fong Industries Corporation, a company listed on the Taiwan Stock Exchange). On the basis that (i) the issued share capital of the Company (being 261,684,910 Shares) remains unchanged as at the date of the Annual General Meeting and (ii) the shareholdings of the foregoing controlling Shareholders (being 147,737,288 Shares) remain unchanged immediately after the full exercise of the Repurchase Mandate, in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution

to be proposed at the Annual General Meeting, the interests of the foregoing controlling Shareholders in the issued Shares would be increased to approximately 62.73% of the total issued share capital of the Company. The Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase of shares on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the company's issued share capital would be in public hands. The Directors do not propose to repurchase Shares, which would result in less than the prescribed minimum percentage of Shares in public hands.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the laws of Hong Kong.

7. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares have traded on the Stock Exchange during each of the following months were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2010		
April	1.50	1.32

January	1.18	1.10
February	1.18	1.05

8. REPURCHASES OF SHARES MADE BY THE COMPANY
