## LETTER FROM THE BOARD

---

In proposing re-election of Mr. Wang and Dr. Leung at the AGM, the Nomination Committee has considered the desired criteria stipulated in the Company's nomination policy for director appointment as well as the diversified objectives under the board diversity policy of the Company (details of which are set out in the Corporate Governance Report in the Company's Annual Report 2025).

The Nomination Committee has also reviewed the structure and composition of the Board, the biographical details of Mr. Wang and Dr. Leung, the qualifications, skills and experience, time commitment and contribution of Mr. Wang and Dr. Leung with reference to the Company's nomination policy, and their respective management experience and business connections. The Nomination Committee is of the view that each of Mr. Wang and Dr. Leung is knowledgeable and has the requisite expertise and experience, and has been contributing to the Group effectively.

Dr. Leung, who has served the Board as an independent non-executive Director for more than 9 years, has made an annual confirmation of independence to the Company pursuant to Rule 3.13 of the Listing Rules. The Nomination Committee of the Company (where Dr. Leung is a member, had abstained from reviewing and voting in all matters relating to the assessment of his independence and suitability to continue acting as an independent non-executive Director of the Company) has assessed the independence of Dr. Leung and considered he meets the independence guideline set out in the Listing Rules. The Nomination Committee observed that Dr. Leung did not involve in the daily management of the Company nor in any relationship or circumstances that would materially compromise his independent role. The Nomination Committee is satisfied that, taking into account, *inter alia*, the valuable independent judgement, advice and objective views contributed by Dr. Leung over his tenure, he is of such character, integrity and experience commensurate with office of independent non-executive director and remains independent notwithstanding his length of service. Dr. Leung currently is a member of each of the Audit Committee, the Remuneration Committee and the Nomination Committee of the Company.

The Nomination Committee has made recommendations to the Board. The Board considers the contribution and support of Mr. Wang and Dr. Leung to the Board to be invaluable and it is in the best interests of the Company and the Shareholders as a whole to re-elect each of Mr. Wang and Dr. Leung as a Director of the Company at the AGM. Dr. Leung abstained from voting for the relevant resolutions at both the Nomination Committee (since he currently is a member of the Nomination Committee) and the Board meeting regarding his own nomination. Mr. Wang also abstained from voting for the relevant resolution at the Board meeting regarding his own nomination.

### 3. GENERAL MANDATES TO ISSUE AND BUY-BACK SHARES

The Issue Mandate and the Buy-backs Mandate shall be effective upon passing of the relevant resolutions at the AGM until whichever is the earliest of:

- (a) the conclusion of the next annual general meeting of the Company following the AGM; or
- (b) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws, or any applicable law of Bermuda to be held; or
- (c) the passing of an ordinary resolution by the Shareholders in general meeting revoking or varying the authority given to the Directors.

The Directors are seeking the approval of ordinary resolutions at the AGM to grant to the Directors:

- (a) the Issue Mandate: to allot, issue and otherwise deal with the Shares and securities convertible into Shares up to 20% of the number of issued Shares as at the date of passing the proposed resolution at the AGM;
- (b) the Buy-backs Mandate: to purchase Shares up to 10% of the number of issued Shares as at the date of passing the proposed resolution at the AGM; and
- (c) an extension to the Issue Mandate: subject to passing of the ordinary resolutions to approve the Issue Mandate and the Buy-backs Mandate at the AGM, extend the Issue Mandate by number of Shares which may be bought-back by the Company under the Buy-backs Mandate.

As at the Latest Practicable Date, there were 6,545,621,131 Shares in issue. Subject to the passing of the ordinary resolutions to approve the Issue Mandate and the Buy-backs Mandate at the AGM and on the basis that no further Shares are issued or bought-back between the Latest Practicable Date and the date of the AGM, the Company would be allowed to issue up to a maximum of 1,309,124,226 Shares (representing 20% of the number of issued Shares at the time of the passing of the resolution approving the Issue Mandate) under the Issue Mandate and to buy-back up to a maximum of 654,562,113 Shares (representing 10% of the number of issued Shares at the time of the passing of the resolution approving the Buy-backs Mandate) under the Buy-backs Mandate.

---

## LETTER FROM THE BOARD

---

The Issue Mandate provides the Directors with flexibility to issue Shares especially in the context of a fund raising exercise or a transaction involving an acquisition by the Company where Shares are to be issued as consideration and which has to be completed speedily. The Directors have no present intention to exercise the Issue Mandate to allot, issue and deal with Shares and securities convertible into Shares and to exercise the Buy-backs Mandate to buy-back Shares.

An explanatory statement containing all the relevant information required under the Listing Rules regarding the Buy-backs Mandate is set out in the Appendix II to this circular. The information in the explanatory statement is to provide the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolutions.

#### **4. INCREASE IN AUTHORISED SHARE CAPITAL**

As at the Latest Practicable Date, the authorised share capital of the Company is HK\$1,000,000,000 divided into 10,000,000,000 Shares of HK\$0.10 each, of which 6,545,621,131 Shares have been allotted and issued as fully paid or credited as fully paid.

The Board proposes to increase the authorised share capital of the Company from HK\$1,000,000,000 divided into 10,000,000,000 Shares of HK\$0.1 each to HK\$10,000,000,000 divided into 100,000,000,000 Shares by creating an additional 90,000,000,000 unissued Shares. Such additional Shares will, upon being issued and credited as fully paid up, rank *pari passu* in all respects with the existing Shares. The proposed increase in the authorised share capital of the Company is subject to the approval of the Shareholders by way of an ordinary resolution at the AGM.

The Board proposes the increase in authorised share capital of the Company in order to accommodate future expansion and growth of the Group. The Board believes that the increase in authorised share capital of the Company is for the benefit of the Company and the Shareholders as a whole.

The Directors have no current intention of issuing any part of the enlarged authorised share capital of the Company upon the approval of the increase in the authorised share capital at the AGM.

The increase in authorised share capital of the Company is conditional upon the passing of an ordinary resolution by the Shareholders by way of poll at the AGM. No Shareholder is required to abstain from voting on such resolution.

## LETTER FROM THE BOARD

---

### 5. VOTING BY WAY OF POLL

### 7. RECOMMENDATIONS

The Directors consider the two Directors subject to retirement by rotation provisions who, being eligible, have offered for re-election have been serving the Company well during their respective terms in office and believe they will continue to contribute their expertise and dedication to the Group in the coming years.

---

## LETTER FROM THE BOARD

---

The Directors believe that an exercise of the Issue Mandate to allot and issue new Shares will enable the Company to take advantage of market conditions to raise additional capital in the context of a fund raising exercise or a transaction involving an acquisition by the Company where Shares are to be issued as consideration and which has to be completed speedily.

The Buy-backs Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value of the Company and its net assets and/or earnings per Share and will only be made when the Directors believe that a buy-back of Shares will benefit the Company and the Shareholders as a whole.

In view of the reasons set out above and in this circular, the Directors believe that the re-election of Directors, and the proposed grant of the Issue Mandate and the Buy-backs Mandate, and are in the best interests of the Company and the Shareholders as a whole. The Directors therefore recommend you to vote in favour of the relevant resolutions to be proposed at the AGM.

### **BUY-BACK OF SECURITIES FROM CONNECTED PARTIES**

The Listing Rules permit companies whose primary listings are on the Stock Exchange to buy-back their own shares on the Stock Exchange subject to certain restrictions and obtaining prior Shareholders' approval. The Listing Rules, however, prohibit a company from knowingly purchasing securities on the Stock Exchange from a core connected person and a core connected person is prohibited from knowingly selling his securities to the Company.

### **SHARE CAPITAL**

As at the Latest Practicable Date, the authorised share capital of the Company was 10,000,000,000 Shares, of which a total of 6,545,621,131 Shares were allotted, issued and fully paid or credited as fully paid. Subject to the passing of the ordinary resolution to approve the Buy-backs Mandate at the AGM and on the basis that no further Shares are issued or bought-back between the Latest Practicable Date and the date of the AGM, the Company would be allowed to buy-back up to a maximum of 654,562,113 Shares, representing 10% of the total issued Shares as at the date of the AGM.

### **REASONS FOR THE BUY-BACK**

Although the Directors have no present intention to buy-back any Share, the Directors believe that the Buy-backs Mandate is in the best interests of the Company and its Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Directors to buy-back the Shares on the market. An exercise of the Buy-backs Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share and will only be made when the Directors believe that a buy-back will benefit the Company and the Shareholders as a whole.

### **FUNDING OF THE BUY-BACK**

The buy-back of Shares shall be made out of funds legally available under the laws of Bermuda, Hong Kong and the Bye-laws for such purpose. Under Bermuda law, any buy-back may only be effected out of the capital paid up on the buy-back Shares or out of the funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a buy-back over the par value of the Shares to be bought-back must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the share premium account before the Shares are bought-back. It is envisaged that the funds required for any buy-back would be derived from such sources.

As compared to the financial position of the Company as at 31 March 2025 (being the date of the Company's latest audited accounts), an exercise of the Buy-backs Mandate in full may have a material adverse impact on the working capital and gearing position of the Company. The Directors do not, however, intend to make any buy-back in circumstances that would have a material adverse impact on the working capital or gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

### **STATUS OF THE BOUGHT-BACK SHARES**

If the Company exercises the Buy-backs Mandate, the shares being bought-back will be cancelled.

### **SHARE PRICES**

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous 12 calendar months preceding the Latest Practicable Date were as follows:

	<b>Highest</b> <i>HK\$</i>	<b>Lowest</b> <i>HK\$</i>
<b>2024</b>

September	0.034	0.021

June	0.050	0.016
July*	0.026	0.020

\* up to and including the Latest Practicable Date

**DISCLOSURE OF INTERESTS**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates currently has any present intention to sell any Share to the Company or its subsidiaries in the event that the Buy-backs Mandate is approved by Shareholders.

No core connected person of the Company has notified the Company that he/it has a present intention to sell any Share to the Company, nor has any such core connected person undertaken not to sell any Share held by him/it to the Company in the event that the Buy-backs Mandate is approved by the Shareholders.

**CONFIRMATIONS**

The Directors will exercise the powers of the Company to buy-back Shares pursuant to the Buy-backs Mandate in accordance with the Listing Rules and the applicable laws of Bermuda and Hong Kong, so far as the same may be applicable.

The Company confirms that neither the explanatory statement contained in this Appendix II nor the proposed Buy-backs Mandate has any unusual features.

**HONG KONG CODE ON TAKEOVERS AND MERGERS AND SHARE BUY-BACKS**

If on the exercise of the power to buy-back Shares pursuant to the Buy-backs Mandate, a Shareholder's proportionate interest in the voting rights of the Company increase, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

So far as the Company is aware, the substantial shareholder of the Company as at the Latest Practicable Date and in the event that the Buy-backs Mandate is exercised in full is as follows:

	<b>As at the Latest Practicable Date</b>		<b>Assuming the Buy-backs Mandate is exercised in full</b>	
	<i>Number of Shares</i>	<i>Approximate %</i>	<i>Number of Shares</i>	<i>Approximate %</i>
Mr. Wang ( <i>Note</i> )	4,238,827,528	64.76%	4,238,827,528	71.95%

*Note:* Mr. Wang was deemed interested in, and duplicated, the 50,017,949 Shares which Champion Golden Limited was interested, the 3,602,323,177 Shares which Champion Ever Limited was interested and the 586,486,402 Shares which Galaxy King Limited was interested. Mr. Wang has 50% voting rights in Champion Golden Limited. Both Champion Ever Limited and Galaxy King Limited are wholly owned by Mr. Wang.

Accordingly, in the event that the Directors exercise in full of the power to buy-back Shares under the Buy-backs Mandate, it will not give rise to an obligation on Mr. Wang and parties acting in concert with him to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no present intention to exercise the power to buy-back Shares to the extent that will give rise to an obligation on any party to make a mandatory offer under Rule 26 of the Takeovers Code.

The Company will not exercise the power to buy-back Shares which would result in the amount of Shares held in public being reduced to less than 25%.

#### **SHARE BUY-BACK MADE BY THE COMPANY**

The Company had not bought-back any of the Shares (whether on the Stock Exchange or otherwise) during the six calendar months preceding the Latest Practicable Date.
