INFORMATION ON THE PROPERTY

The Vendor, a wholly owned subsidiary of the Company, is the owner of the Property and the details of which are set out below:

Address	Usage	Attributable interests to the Group as at the date of this announcement and immediately before Completion
House No. 23, Moritz Avenue Valais II Valais, No. 33 Kwu Tung Road, Sheung Shui, the New Territories, Hong Kong	Residential	100%

POSSIBLE FINANCIAL EFFECTS OF THE DISPOSAL

Upon Completion, the Property will cease to be held by the Group. It is estimated that the Group will realise a loss from the Disposal of approximately HK\$1,620,000 (subject to audit), being the difference between the Consideration and the carrying amount of the Property as of 30 September 2020.

REASONS FOR AND BENEFITS OF THE DISPOSAL AND USE OF PROCEEDS

Resulting from the circumstances as disclosed in (i) the announcement of the Company dated 14 December 2020 in relation to the Group not being able to meet the scheduled repayment by its due date pursuant to the facility agreement; (ii) each of the announcements of the Company dated 23 December 2020, 18 January 2021, 3 February 2021 and 9 February 2021 in relation to each of the Company and several subsidiaries of the Company receiving the statutory demands from a number of creditors of the Group; and (iii) the announcement of the Company dated 16 February 2021 in relation to the Company presenting and filing a winding up petition together with an application for the appointment of joint and several provisional liquidators of the Company (for restructuring purposes) on a “light touch” approach for restructuring purposes to the Supreme Court of Bermuda on 11 February 2021, the Directors have been taking proactive steps to enhance the cashflow of the Group.

As such, having considered the current market value of the Property (with reference to the market value of similar properties within the same area), alongside with the current property market conditions in Hong Kong, the Board considers that the Disposal, even

though it realises a loss, if materialises, still represents a good opportunity for the Vendor to enhance the cash flow of the Group to consolidate its financial position within a short period of time.

It is expected that the net proceeds from the Disposal (after deducting all relevant fees and expenses) of approximately HK\$23,120,000 will be reserved for general working capital of the Group and the payment for restructuring expenses.

The terms of the Provisional Agreement were determined after arm's length negotiations between the parties thereto and the Directors are of the view that despite the Provisional Agreement was not entered into in the ordinary course of business of the Group, the terms of the Provisional Agreement are on normal commercial terms and are fair and reasonable and in the interests of the Company and its Shareholders as a whole.
