PROFIT WARNING

This announcement is made pursuant to Rule 13.09(2)(a) of the Listing Rules and the Inside Information Provisions under Part XIVA of the SFO.

The Board wishes to inform the shareholders of the Company and potential investors that the Group is expected to record a substantial decrease in profit for the year ended 30 June 2013 as compared to that of the year ended 30 June 2012. Such decrease was mainly due to the decrease in sales as a result of (i) decrease in demand of industrial automation instrument and technology products and (ii) decrease in unit selling price of both industrial automation instrument and technology products and horological instruments.

Information contained in this announcement is only based on a preliminary assessment made by the Board on financial information currently available to it and is not based on any figure or information that has been audited or reviewed by the Company’s auditors.

Trading in the shares of the Company on the Stock Exchange remains suspended. Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.

This announcement is made by China High Precision Automation Group Limited (the “**Company**”) and its subsidiaries (collectively the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on the Stock Exchange (“**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong) (the “**SFO**”).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that the Group is expected to record a substantial decrease in profit for the year ended 30 June 2013 as compared to that of the year ended 30 June 2012.

Such expected substantial decrease in profit was mainly due to the decrease in sales as a result of (i) decrease in demand of industrial automation instrument and technology products and (ii) decrease in unit selling price of both industrial automation instrument and technology products and horological instruments.

Despite the temporary adverse effect of the sluggish global economy on our business, the Board considers that the overall financial position and business operation of the Group remain strong and healthy.

As the Company is still in the course of preparing and finalising its annual results for the year ended 30 June 2013, the information contained in this announcement is only based on a preliminary assessment made by the Board on the financial information currently available to it and is not based on any figure or information that has been audited or reviewed by the Company's auditors. It is scheduled that the annual results of the Group for the year ended 30 June 2013 would be announced in late September 2013.

Trading in the shares of the Company on the Stock Exchange remains suspended. Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
