This announcement is made by Xinjiang Tianye Water Saving Irrigation System Company Limited (the “**Company**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that the Company and its subsidiaries (collectively the “**Group**”) expects to record a significant decrease in profit for the six months ended 30 June 2013 compared to the corresponding period ended 30 June 2012. Based on the preliminary assessment of the Group's unaudited management accounts for the six months ended 30 June 2013 and information currently available to the Board, the expected decrease in profit was primarily attributable to intensified competition in the industry, leading to a decrease in product prices and lower profit margin of the Group. Meanwhile, the Group is relatively far away from the interior provinces of China, whereby the accompanying higher distribution costs had crimped the profit of the Group.
