(1) CONNECTED TRANSACTION — ACQUISITION OF THE REMAINING 40% EQUITY INTERESTS IN A NON-WHOLLY-OWNED SUBSIDIARY

INTRODUCTION

As at the date of this announcement, Tancheng Water Saving is a non-wholly-owned subsidiary of the Company, which is held as to 60% by the Company and 40% by Shihezi Xiayede. On 25 July 2018, the Company and Shihezi Xiayede entered into Equity Transfer Agreement 1, pursuant to which, the Company has agreed to acquire and Shihezi Xiayede has agreed to sell Sales Equity 1. Upon the completion of Acquisition 1, the Company will hold 100% interests in Tancheng Water Saving, and Tancheng Water Saving will become a wholly-owned subsidiary of the Company.

EQUITY TRANSFER AGREEMENT 1

Date

25 July 2018

Parties

- (i) Shihezhi Xiayede (as the vendor); and
- (ii) the Company (as the purchaser)

Nature of Transaction

Pursuant to Equity Transfer Agreement 1, the Company has agreed to acquire and Shihezi Xiayede has agreed to sell Sales Equity 1.

CONSIDERATION, VALUATION OF SALES EQUITY 1 AND CONCLUSION OF TRANSACTION

The Consideration for Acquisition 1 is RMB392,680, which is determined by the parties upon arm's length negotiations and with reference to (i) the relevant portion of the valuation of all shareholders' interests in Tancheng Water Saving as appraised by an independent third-party valuation firm on the Benchmark Date (i.e. 31 May 2018) with asset-based approach of RMB981,700.

The Consideration shall be satisfied by the Company with internal funds within 30 working days upon the approval of Equity Transfer Agreement 1 by the PRC regulatory authorities.

The completion of Acquisition 1 is subject to the approval of Equity Transfer Agreement 1 by the PRC regulatory authorities and relevant filings. Upon the completion of Acquisition 1, Tiancheng Water Saving will be wholly-owned by the Company and will become a wholly-owned subsidiary of the Company.

REASONS AND BENEFITS OF ACQUISITION 1

Pursuant to its operation and development needs, the Company follows the deployment and requirements on further reform on state-owned capital and enterprises promulgated by the Corps Party Committee, and conducts Acquisition 1 in line with the reform on state-owned enterprises by the Eighth Division (八師團場).

Through the construction of three major obsolete drip belts recycling and granulation processing bases, Tiancheng Water Saving is capable of effectively fostering the structural reform on the supply side. Tiancheng Water Saving adopts market-oriented approaches to consolidate the granulation resources for drip belts, while reduces intermediate processes via the production and processing of drip belts to lower costs and enhance profit. These coupled with the negotiation on co-operation models among parties enhance the benefits of various parties in the agriculture sector and enterprises.

The Directors (including the independent non-executive Directors) consider that the Consideration and the terms of Equity Transfer Agreement 1 are fair and reasonable, and Acquisition 1 is entered on normal commercial terms or better terms and is in the interests of the Company and its shareholders as a whole. None of the Directors is materially interested in the transaction contemplated under Equity Transfer Agreement 1 or shall abstain from voting on the resolutions of the Board for considering and approving the same pursuant to the articles of association of the Company.
