GENERAL

On behalf of the Board
Momentum Financial Holdings Limited
Liu Xin Chen
Executive Director

This appendix includes an explanatory statement to be presented to the Shareholders under the Listing Rules concerning the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was 982,000,000 Shares.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares will be issued and repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase up to a maximum of 98,200,000 Shares, representing 10% of the aggregate number of shares of the Company in issue as at the date of passing the resolution to approve the Repurchase Mandate.

2. REASONS FOR SHARE REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company, the Group and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earning per Share. The Directors are seeking the grant of a general mandate to repurchase the Shares to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining. Repurchase will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

Any repurchase will be made out of funds which are legally available for such purpose in accordance with the memorandum of association of the Company, the Bye-laws and the applicable laws in Hong Kong and Bermuda. Such funds may include capital paid upon the repurchased Shares, fund otherwise available for dividend or distribution, and the proceeds of issue of new Shares made for the purpose of the repurchase. In the event that the Repurchase Mandate was to be exercised out in full at any time during the proposed repurchase period, there might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements contained in the Company's annual report for the year ended 31 December 2019. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing ratio which in the opinion of the Directors are from time to time appropriate for the Company.

4. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) has any present intention to sell Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders. No other core connected persons (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Hong Kong and Bermuda and the Bye-laws.

6. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not repurchased any Shares in the six months preceding the Latest Practicable Date.

7. SHARE PRICE

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2019		
May	0.218	0.157
June	0.305	0.150
July	0.475	0.180
August	0.330	0.150
September	0.300	0.199
October	0.245	0.175
November	0.245	0.100
December	0.158	0.086
2020		
January	0.150	0.077
February	0.094	0.071
March	0.079	0.045
April	0.085	0.050
May (up to the Latest Practicable Date)	0.084	0.060

8. TAKEOVERS CODE

If as a result of the Directors exercising the powers to repurchase Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the controlling shareholder (as defined under the Listing Rules) having interests in 30% or more of the issued share capital of the Company was:

Name of Shareholder	Number of the Shares held	Approximate % shareholding	
		As at the Latest Practicable Date	If Repurchase Mandate is exercised in full
Triumph Hope	501,330,000	51.05%	56.72%

On the basis of 982,000,000 Shares in issue, if the Directors exercise in full the power to repurchase Shares which is proposed to be granted at the AGM and assuming no further Shares are issued by the Company, the interest of abovementioned controlling shareholder (as defined under the Listing Rules) in the issued share capital of the Company would be increased as shown in the above table. The Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchase of Shares pursuant to the Repurchase Mandate and have no intention to exercise the Repurchase Mandate to such an extent as would result in the amount of Shares held by the public being reduced to less than 25%.

9. EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2019) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which, in the opinion of the Directors, are from time to time appropriate for the Company.
