This appendix serves as an explanatory statement, as required by Rule 10.06(1)(b) of the Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

1. LISTING RULES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Source of funds

Repurchases must be made out of funds which are legally available for such purpose in accordance with the company's memorandum of association, the articles of association, the Companies Law, other applicable laws of the Cayman Islands and the Listing Rules.

(b) Maximum number of shares to be repurchased

The shares proposed to be repurchased by a company must be fully paid up. A maximum of 10% of the total number of the shares of a company in issue on the date of the passing of the relevant resolution approving the repurchase mandate may be repurchased on the Stock Exchange.

(c) Shareholders' approval

The Listing Rules provide that all proposed on-market repurchases of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by specific approval with reference to a specific transaction or by way of a general mandate to the directors of the company.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 531,686,250 Shares.

Subject to the passing of the proposed ordinary resolution for the grant of the Repurchase Mandate and on the basis that no further Shares will be allotted and issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 53,168,625 Shares representing 10% of the issued Shares as at the Latest Practicable Date.

3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interest of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders.

4. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association, the Articles of Association, the Companies Law, other applicable laws of the Cayman Islands and the Listing Rules.

A listed company is prohibited from repurchasing its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Under the Cayman Islands Laws, any repurchase by the Company may be made out of the profits or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by the Articles of Association and subject to the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or from sums standing to the credit of the Company's share premium account or, if authorised by the Articles of Association and subject to the provisions of the Companies Law, out of capital.

5. IMPACT OF REPURCHASE

The Directors consider that if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2017, being the date on which its latest published audited consolidated accounts were made up. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the twelve months preceding and up to and including the Latest Practicable Date were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
April 2017	3.010	2.770
May 2017	3.170	2.870
June 2017	3.230	2.820
July 2017	4.050	2.980
August 2017	4.190	3.700
September 2017	3.330	2.918A
October 2017	3.630	3.130
November 2017	3.400	2.880
December 2017	3.260	2.980
January 2018	3.250	2.860
February 2018	3.380	2.990
March 2018	3.830	3.270
April 2018 (Up to the Latest Practicable Date)	3.760	3.530

Note: A = Adjusted pursuant to approval given by the shareholders of the Company at the extraordinary general meeting held on 26 September 2017 to the proposed bonus issue of Shares on the basis of one bonus share for every four existing shares held on Wednesday, 4 October 2017.

7. UNDERTAKINGS, DIRECTORS' DEALINGS AND CORE CONNECTED PERSONS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the regulations set out in the memorandum of association of the Company and the Articles of Association.

None of the Directors or, to the best of their knowledge and belief, having made all reasonable enquires, any of their close associates (as defined in the Listing Rules), has any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders at the Annual General Meeting and exercised.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

8. TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising their powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of members kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, Mr. CHAN Man Wai was deemed to have interest in 180,020,000 Shares (representing approximately 33.85% of the total issued Shares as at the Latest Practicable Date). In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, then the attributable interest of Mr. CHAN Man Wai would be increased to approximately 37.62% of the issued Shares.

On the basis of the interests in the Shares held by Mr. CHAN Man Wai as at the Latest Practicable Date and on the basis that no new Shares are issued or repurchased prior to the Annual General Meeting and assuming that there would not be changes in the issued Shares prior to the repurchase of Shares and Mr. CHAN Man Wai would not dispose of its Shares nor acquire additional Shares prior to any repurchase of Shares, Mr. CHAN Man Wai may be obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate is exercised in full. The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in takeover obligations or to result in the amount of Shares held by the public falling below the prescribed minimum percentage of 25%.

Save as disclosed above, the Directors are currently not aware of any consequences which will arise under the Takeovers Code as a result of any purchase made under the Repurchase Mandate.
