The Previous Tenancy Agreement in respect of the premises under item (4) in the table above was entered into on 6 January 2017 for a term from 1 January 2017 to 31 December 2018.

### **Historical Transaction Amounts and Basis of Determination of the Rentals and Annual Caps**

The total actual rental paid and/or payable by the Group under the Previous Tenancy Agreements amounted to RMB4,396,000 (for five of the tenancies), RMB5,655,000 and RMB5,655,000 (both for six of the tenancies) for the years ended 31 December 2016, 31 December 2017 and 31 December 2018, respectively.

The annual cap for the rental payable by the Group under the Renewed Tenancy Agreements shall be no more than RMB6,000,000 for each of the three years ending 31 December 2021. The annual cap has been determined with reference to the rentals payable by the Group under the Renewed Tenancy Agreements.

The terms of the Renewed Tenancy Agreements, including the rentals payable by the Group, are arrived at after arm's length negotiations between the parties involved with reference to rentals paid by the Group under the Previous Tenancy Agreements, the prevailing market rent of comparable properties in similar area and the valuation report on the fairness of the rentals issued by APAC Asset Valuation and Consulting Limited, an independent property valuer. The Group intends to use its internal resources to fund the rentals payable under the Renewed Tenancy Agreements.

## **REASONS FOR THE RENEWAL OF THE PREVIOUS TENANCY AGREEMENTS**

As the Previous Tenancy Agreements relate to the existing premises at which part of the Group's business is carried out, their relocation would be costly and may have impact on daily business operation of the Group. Furthermore, based on the valuation report performed by APAC Asset Valuation and Consulting Limited that research on other similar premises at comparable locations in the open market, the Directors, after taking into account the prevailing market rent, consider it be reasonable and it is in the interest of the Group to enter into the Renewed Tenancy Agreements.

The Directors (including the independent non-executive Directors) consider that the Renewed Tenancy Agreements have been entered into on normal commercial terms (or better than normal commercial terms) and in the ordinary and usual course of business of the Group, and the terms of the Renewed Tenancy Agreements (including the rental payable) are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

## **LISTING RULES IMPLICATIONS**

As Meco Group and Dongguan Well Excellent are owned as to 50% by Mr. Chan, 35% by Mr. Yip and 15% by Mr. Ku, who are controlling Shareholders and executive Directors of the Company, each of Meco Group and Dongguan Well Excellent is a connected person of the Company under the Listing Rules, and the Renewed Tenancy Agreements constitute continuing connected transactions of the Company under the Listing Rules. Each of Mr. Chan, Mr. Yip and Mr. Ku abstained from voting at the board meeting approving the Renewed Tenancy Agreements.

As the applicable percentage ratios relating to the Renewed Tenancy Agreements on an annual basis exceed 0.1% but is less than 5%, the transactions contemplated under the Renewed Tenancy Agreements are subject to the relevant reporting and announcement requirements but are exempt from independent shareholders' approval requirements under Chapter 14A of the Listing Rules.
