The Share Repurchase Mandate will expire: (a) at the conclusion of the next annual general meeting of the Company following the AGM; or (b) at the end of the period within which the Company is required by the Companies Law or the Articles of Association to hold its next annual general meeting; or (c) when revoked or varied by ordinary resolutions of the Shareholders at a general meeting prior to the next annual general meeting of the Company, whichever is the earliest.

There are no other matters concerning any of the above Directors that need to be brought to the attention of the Shareholders in relation to their re-election and there is no other information which is discloseable pursuant to any of the requirements set out in Rule 13.51(2)(h) to (v) of the Listing Rules.

*The English transliteration of the Chinese name(s) in this announcement, where indicated with *, is included for information purpose only, and should not be regarded as the official English name(s) of such Chinese name(s).*

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable you to make an informed decision whether to vote for or against the resolution to approve the grant of the Share Repurchase Mandate to the Directors.

1. LISTING RULES

The Listing Rules permit a company with a primary listing on the Stock Exchange to repurchase its securities on the Stock Exchange subject to certain restrictions, the most important of which are summarised below. The Company is empowered by its Memorandum and Articles of Association to repurchase its own Shares.

(a) Shareholders' approval

The Listing Rules provide that all on-market repurchase of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval with reference to a specific transaction.

Such authority may only continue in force during the period from the passing of the resolution until the earlier of: (i) the conclusion of the next annual general meeting of the company; (ii) the expiration of the period within which the next annual general meeting of the company is required by law to be held; and (iii) the passing of an ordinary resolution by shareholders in general meeting of the company revoking or varying such mandate.

(b) Source of funds

Repurchase must be paid out of funds legally available for the purpose and in accordance with the listed company's memorandum and articles of association and the laws of the jurisdiction in which the listed company is incorporated or otherwise established. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the laws of the Cayman Islands, repurchases by a company may only be made out of profits of the company or out of proceeds of a fresh issue of shares made for the purpose, or, if so authorised by its memorandum and articles of association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be purchased must be provided for out of profits of the company or out of the company's share premium account, or if so authorised by its memorandum and articles of association and subject to the provisions of the Companies Law, out of capital.

(c) Trading restrictions

Where the securities to be repurchased by a company are shares, such shares must be fully paid shares.

2. SHARES IN ISSUE

As at the Latest Practicable Date, the Company had 2,680,000,000 Shares in issue.

Subject to the passing of the proposed resolution for the grant of the Share Repurchase Mandate and on the basis that there is no change in the total number of issued Shares between the Latest Practicable Date and the AGM, the Company will be allowed under the Shares Repurchase Mandate to repurchase a maximum of 268,000,000 Shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that the Share Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might consider it appropriate to repurchase Shares, the Directors believe that an ability to do so will give the Company additional flexibility that is beneficial to the Company. An exercise of the Share Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands. Any repurchase of Shares will be made out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purpose of the purchase or, if authorized by the Articles of Association and subject to the Companies Law, out of the capital of the Company.

Taking into account the current working capital position of the Group, the Directors consider that, if the Share Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position as at 31 December 2023, being the date on which its latest published audited consolidated financial statements were made up. However, the Directors do not intend to make any repurchase to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Group which in the opinion of the Directors are from time to time appropriate for the Group.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:

Month	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2023		
April	0.199	0.154
May	0.228	0.146
June	0.305	0.219
July	0.300	0.270
August	0.280	0.217
September	0.280	0.172
October	0.215	0.150
November	0.159	0.136
December	0.140	0.092
2024		
January	0.157	0.094
February	0.138	0.123
March	0.131	0.102
April (up to the Latest Practicable Date)	0.159	0.105

6. TAKEOVERS CODE AND PUBLIC FLOAT REQUIREMENT

If a Shareholder's proportionate interest in the voting rights of the Company increases upon the Company exercising its powers to repurchase securities pursuant to the Share Repurchase Mandate, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, and to the best knowledge and belief of the Directors based on the register of members kept by the Company under Section 336 of the SFO, (i) China Grand Developments Limited, a company wholly owned by Mr. Ma Jianghao ("**Mr. Ma**"), beneficially held 800,000,000 Shares. Thus, Mr. Ma is deemed to be interested in 800,000,000 Shares, representing approximately 29.85% of the total issued share capital of the Company as at the Latest Practicable Date. On the basis of 2,680,000,000 Shares in issue as at the Latest Practicable Date and assuming there is no change in the number of issued shares before the AGM, if the Share Repurchase Mandate were exercised in full, the aggregate percentage shareholding of Mr. Ma in the Company would increase to approximately 33.17% of the then issued share capital of the Company. As such, Mr. Ma would be obliged to make a mandatory general offer for all the Shares that he does not own under Rule 26 of the Takeovers Code. The Company has no intention to

exercise the Share Repurchase Mandate to such an extent that would result in the Takeovers Code being triggered or the number of shares held by the public being reduced to less than 25% of the issued share capital of the Company.

7. UNDERTAKINGS

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, their close associates have any present intention to sell any Shares to the Company if the Share Repurchase Mandate is approved at the AGM and exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules, the laws of the Cayman Islands and the regulations set out in the Memorandum and Articles of Association.

As at the Latest Practicable Date, no core connected person of the Company had notified the Company that he/she/it had a present intention to sell any securities to the Company nor had such core connected person undertaken not to sell any of the securities held by him/her/it to the Company in the event that the Share Repurchase Mandate is granted.

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.
