Information on the Land

The Land is located at Junshan District, Yueyang City, Hunan Province, the PRC. The Land has a net land area of approximately 138,648 sqm. The Land is surrounded by the Dongting Lake (洞庭湖) and Xiangjiang River (湘江河). It is encircled by well-known sightseeing attractions, including Junshan Island (君山島) on its west side and Yueyang Pavilion (岳陽樓) on its east side. The commute distances from the Land to Yueyang City’s central district and the local high speed rail station are both less than 20 kilometres.

Yueyang City is a historical and cultural city nestled within the Yangtze River (長江) valley, referred to as a bright pearl besides Dongting Lake. It is located in northeast Hunan Province. In 2016, the GDP of Yueyang City surpassed RMB300 billion for the first time, making it the second place in the Hunan Province. According to the statistics as published by the National Bureau of Statistics of the PRC and the People’s Government of Yueyang City, in 2016, the GDP per capita of Yueyang City was approximately RMB55,000, representing a growth of approximately 6.5% in comparison to 2015. In addition, the GDP per capita of Yueyang City is approximately 19.6% higher than the GDP per capita of the Hunan Province of approximately RMB46,000.

According to the statistics as published by the People's Government of Yueyang City, the total traveller throughput of Yueyang City was approximately 105 million in 2016. The tourism income derived from domestic tourists was approximately RMB49.9 billion in 2016, representing a growth of 50.3% in comparison to 2015. Yueyang Pavilion (岳陽樓) and Junshan Island (君山島) in Yueyang City are both known as 5A Scenic Tourist Resort Area (5A風景旅遊度假區) and National Key Scenic Spots (國家重點風景名勝), which are top tourism sites in the PRC. According to statistics published by China Tourism Academy (中國旅遊研究院), during the first half of 2017, the number of domestic tourists in the PRC increased approximately 13.5% to 2,537 million from 2,236 million during the first half of 2016. As a tourism city, Yueyang City is likely to benefit from the growth of domestic tourism in the PRC.

In light of the above, the Directors consider the Land, located at a prime location in Hunan Province, is of great potential for development of residential and commercial property.

Pursuant to the requirements of the Auction, the Group intends to erect commercial and residential properties thereon. If successful at the Auction, the Group is considering to commence development of the Land around the first quarter of 2018. The construction period of the development is expected to be approximately two to three years and the development will be in several phases.

REASONS FOR AND BENEFITS OF THE POTENTIAL ACQUISITION

The Group is principally engaged in the provision of building services and provision of investment and asset management services. Since the second half of 2017, the Group has acquired the land use rights of several parcels of land in the PRC as it intends to expand its business portfolio in property investment and development with focuses primarily in developing unique towns in the PRC.

Having considered that (i) the Potential Acquisition is in line with the business strategies of the Group to expand the footprint of the Group's business to property investment and development and thereby able to benefit from the rapid growth of the PRC local economy; (ii) the Land located at a prime location in Hunan Province and is of great potential for development of residential and commercial property; and (iii) if successful at the Auction, the purchase price by the Group will be in line with the fair value of the Land according to the draft valuation report to be issued by Royson Valuation Advisory Limited, an independent professional valuer, the Directors consider the Potential Acquisition presents a valuable business opportunity for the Group to enhance its corporate development and property investment and development business in the PRC.

The Directors (including the independent non-executive Directors) consider the terms of the Potential Acquisition are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole.

FINANCIAL ASSISTANCE FROM CONTROLLING SHAREHOLDERS

On 29 September 2017, the Lender, a company indirectly owned and controlled by, among others, Mr. Wei Jie, an executive Director and a controlling Shareholder, and Ms. Xu Li Yun, an executive Director, entered into a loan agreement with an indirect wholly-owned subsidiary of the Company (the “**Borrower**”) pursuant to which the Lender agreed to provide the unsecured Loan of RMB110 million to the Borrower for a duration of three years at an interest rate of 6% per annum. Pursuant to the loan agreement, the Loan will be used by the Borrower as its working capital. The Group intends to use part of the Loan to partially finance the Potential Acquisition.

As Mr. Wei Jie is an executive Director and a controlling Shareholder and Ms. Xu Li Yun is an executive Director, the Loan will constitute a connected transaction in the form of financial assistance from the Lender in favour of the Borrower. However, as the Loan is not secured by any assets of the Group, and as the Directors (including the independent non-executive Directors) consider that the terms of the Loan are on normal commercial terms or better, the Loan is fully-exempt from shareholders’ approval, annual review and all disclosure requirements pursuant to Rule 14A.90 of the Listing Rules.

LISTING RULES IMPLICATION

As one or more of the applicable ratios (as defined in the Listing Rules) in relation to the Potential Acquisition exceed 25% but less than 100%, the Potential Acquisition, if successful, constitutes a major transaction for the Company and is subject to the announcement, reporting, circular and shareholders’ approval requirements under Chapter 14 of the Listing Rules.
