DISCLOSEABLE TRANSACTION DISPOSAL OF 50% EQUITY INTEREST IN NINGBO MEIRUI

THE DISPOSAL

On 9 January 2024, the Vendor (an indirect wholly-owned subsidiary of the Company), Party B, the Target Company and the Purchaser entered into the Agreement pursuant to which, the Vendor has agreed to sell, and the Purchaser has agreed to acquire, the Sale Equity at a total Consideration of RMB400 million.

LISTING RULES IMPLICATIONS

As the highest applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the Disposal exceeds 5% but is less than 25%, the Disposal constitutes a discloseable transaction for the Company under Listing Rules and is subject to the notification and announcement requirements but exempt from shareholders' approval requirement under Chapter 14 of the Listing Rules.

THE DISPOSAL

On 9 January 2024, the Vendor, Party B, the Target Company and the Purchaser entered into the Agreement in respect of the Disposal. The salient terms of the Agreement are summarised below:

THE AGREEMENT

Date: 9 January 2024

- Parties:**
- (a) the Vendor (an indirect wholly-owned subsidiary of the Company);
 - (b) Party B;
 - (c) the Target Company; and
 - (d) the Purchaser

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, each of Party B, the Purchaser and its ultimate beneficial owners are Independent Third Parties as at the date of this announcement.

Subject matter

Pursuant to the terms of the Agreement, the Vendor has agreed to sell, and the Purchaser has agreed to acquire, the Sale Equity at a total Consideration of RMB400,000,000.

Consideration

The Consideration was determined after arm's length negotiations between the Vendor and the Purchaser after taking into account factors including the net asset value and the amount of outstanding payables of the Target Company. The Consideration shall be settled in full against the Loan.

Completion

Completion of the Disposal is not subject to any conditions. Within one business day from the date of the Agreement, the parties thereto shall cooperate to apply for the registration procedures for the transfer of the Sale Equity.

FINANCIAL EFFECT OF THE DISPOSAL

It is estimated that the Company will record a loss of approximately RMB166.5 million from the Disposal. Such loss is calculated as the difference between the Consideration and the net asset value of the Target Company as at 31 December 2023. The actual loss to be recorded is subject to audit and may be different from the estimated amount as it will depend on the actual transaction costs incurred and the Consideration calculated as at the date of the completion of the Disposal.

INFORMATION ON THE TARGET COMPANY

The Target Company is a limited liability company established in the PRC. As at the date of this announcement, it is held as to 50% by each of the Vendor and Party B. The financial results of the Target Company are not consolidated into the Company's financial statements.

Set out below is a summary of the audited consolidated financial information of the Target Company for the two years ended 31 December 2021 and 2022:

	For the year ended 31 December	
	2021	2022
	<i>RMB'000</i>	<i>RMB'000</i>
Profit before tax	8,841	462,787
Profit after tax	6,617	347,017

The unaudited net asset value of the Target Company as at 31 December 2023 was RMB1,133 million.

Upon completion of the Disposal, the Group shall cease to have any interests in the Target Company.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The construction of the property project developed by the Target Company has been completed in December 2022. Prior to such completion, the Vendor had already received pre-sale proceeds of the property project from the Target Company, including the Loan. The Board considers that it is an appropriate timing now to exit from the Target Company to allow the Group to focus its resources and manpower on its core projects located in major cities in the PRC. The settlement of the Consideration against the Loan will also reduce the overall outstanding debt balances of the Group. As the entire amount of the Consideration will be applied to offset the Loan, no cash will be received by the Group.

In view of the above, the Board considers that the terms and conditions of the Agreement have been made on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.
