STATUS OF FULFILMENT OF RESUMPTION GUIDANCE

As disclosed in the announcement of the Company dated 13 April 2023 (the “**Decision Announcement**”), the Listing Review Committee considered that all of the Resumption Guidance have been fulfilled save and except the Resumption Guidance 4 relating to management integrity, as concern remains over the possible influence of the Involved Directors through their ownership in HY Steel, being the controlling shareholder holding 66.9% of the issued share capital of the Company. The Listing Review Committee considered that the Resumption Guidance 4 could only be fully addressed when HY Steel has fully disposed of its interests in the Company. The Listing Review Committee

therefore decided to extend the remedial period to 28 June 2023 for the Company to complete specific steps, namely the full disposal of HY Steel's 66.9% equity interests in the Company, in order to demonstrate compliance with the Resumption Guidance 4. Further details are set out in the Decision Announcement.

As at the date of this announcement, the Disposal and the Placing are still in progress and yet to be completed. The Company will issue further announcement(s) in relation to the progress of the Disposal and the Placing, and the fulfillment of the Resumption Guidance 4 as and when appropriate.
