## **INFORMATION ON CHUZHOU YURUN**

Chuzhou Yurun is a company established under the laws of the PRC with limited liability. The Chuzhou Yurun Group is principally engaged in the provision of property management services in Jiangsu Province, Anhui Province and Hunan Province in the PRC. As at the date of this announcement, the aggregate GFA of properties under management by the Chuzhou Yurun Group is approximately 5.04 million sq.m..

As at the date of this announcement, Chuzhou Yurun is held by Nanjing Hong Yang Property Management as to 51% and Anhui Yuhua as to 49%.

## **Financial information of the Chuzhou Yurun Group**

Set out below is the unaudited consolidated financial information of Chuzhou Yurun Group (prepared in accordance with the Generally Accepted Accounting Principles of the PRC) for the nine months ended 30 September 2021 and the financial years ended 31 December 2019 and 31 December 2020:

	<b>For the year ended 31 December 2019</b>	<b>For the year ended 31 December 2020</b>	<b>For the nine months ended 30 September 2021</b>
	<i>RMB</i> (unaudited)	<i>RMB</i> (unaudited)	<i>RMB</i> (unaudited)
Profit before taxation	3,222,981.14	9,543,322.07	7,607,647.66
Profit after taxation	2,743,921.69	7,293,881.96	6,116,549.38

Upon completion of the Acquisition, Chuzhou Yurun will be 100% held by Nanjing Hong Yang Property Management (a wholly-owned subsidiary of the Company), and therefore Chuzhou Yurun will become an indirectly wholly-owned subsidiary of the Company.

## **REASONS FOR AND BENEFITS OF THE ACQUISITION**

As the projects managed by Chuzhou Yurun are located in the same area as certain projects managed by the Group, the business scope of Chuzhou Yurun has been in line with that of the Company since the acquisition of 51% equity interest in Chuzhou Yurun by the Company in September 2020. The operating performance of Chuzhou Yurun has steadily improved and strong synergy has realized with the existing property management projects of the Company in relevant areas.

Therefore, the Company intends to acquire the remaining 49% equity interest in Chuzhou Yurun. Upon the completion of the Acquisition, Chuzhou Yurun will become an indirect wholly-owned subsidiary of the Company, which will enable the Company to strengthen the management control of the projects under management by Chuzhou Yurun and enjoy the entire economic benefit brought along by Chuzhou Yurun to the Group and help to further reduce the management costs and improve management efficiency of the Group in the future.

The Directors (including the independent non-executive Directors) are of the view that the First Equity Transfer Agreement and the Acquisition contemplated thereunder are conducted in the ordinary and usual course of business of the Group, the terms of which were arrived at after arm's length negotiations among the parties, and are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole.

### **Financial information of the Nanjing Yadong Group**

Set out below is the consolidated financial information of the Nanjing Yadong Group (prepared in accordance with the Generally Accepted Accounting Principles of the PRC) for the nine months ended 30 September 2021 and the financial years ended 31 December 2019 and 31 December 2020:

	<b>For the year ended 31 December 2019</b>	<b>For the year ended 31 December 2020</b>	<b>For the nine months ended 30 September 2021</b>
	<i>RMB</i> (unaudited)	<i>RMB</i> (unaudited)	<i>RMB</i> (unaudited)
Profit/(Loss) before taxation	(5,179,657.09)	6,911,628.18	1,190,973.62
Profit/(Loss) after taxation	(3,884,742.82)	5,076,146.15	893,230.22

The unaudited consolidated net asset value of the Nanjing Yadong Group as at 30 September 2021 was approximately RMB18,113,741.78.

Upon completion of the Disposal, Nanjing Yadong and its subsidiary will cease to be subsidiaries of the Company and the financial information of the Nanjing Yadong Group will no longer be consolidated into the financial statements of the Group.

## **FINANCIAL EFFECTS OF THE DISPOSAL**

Upon completion of the Disposal, it is estimated that the Company would record a loss on the Disposal before taxation of approximately RMB150,000.00, being the difference between the total consideration for the 51% equity interest in Nanjing Yadong of RMB23,000,000.00 and the sum of the net carrying value of the net assets of Nanjing Yadong attributable to 51% equity interest in Nanjing Yadong of approximately RMB23,150,000.00 as at 30 September 2021. The actual loss as a result of the Disposal to be recorded by the Group shall be subject to final audit to be performed by the Company's auditors.

The Group intends to apply the sale proceeds for general working capital and potential acquisitions and investments as and when opportunities arise.

## **REASONS FOR AND BENEFITS OF THE DISPOSAL**

As the Company intends to focus on the “residential + commercial” dual-driven model and continue to improve its profitability in the future, the Company has expanded a number of high-quality commercial properties and public construction properties with high management fees and high gross profit margin through acquisitions and bidding in the market this year. As the current projects under management by Nanjing Yadong are mainly residential projects that were delivered more than 10 years ago, the average property management fees and gross profit margin are relatively low, and do not meet the standards for properties under the Company’s future strategic plan. Therefore, the Company has decided to dispose of its 51% equity interest in Nanjing Yadong. Upon the completion of the Disposal, the cash inflow of the Company will increase, which will be beneficial for the Company to further develop high-quality property projects and concentrate resources to strengthen the competitiveness of the Company to expand its market.

The Directors (including the independent non-executive Directors) are of the view that the Second Equity Transfer Agreement and the Disposal contemplated thereunder are conducted in the ordinary and usual course of business of the Group, the terms of which were arrived at after arm’s length negotiations among the parties, and are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole.
