LETTER FROM THE BOARD

2. PROPOSED RE-ELECTION OF RETIRING DIRECTORS

Pursuant to Article 108(a) of the Articles of Association, at each annual general meeting, one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election. Pursuant to Article 108(b) of the Articles of Association, any Director who has not been subject to retirement by rotation in the three years preceding the annual general meeting shall retire by rotation at such annual general meeting. Any further Directors so to retire shall be those who have been longest in office since their last re-election or appointment.

Pursuant to Article 112 of the Articles of Association, any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election. Any Director appointed under Article 112 of the Articles of Association shall not be taken into account in determining the Directors or the number of Directors who are to retire by rotation at an annual general meeting.

In accordance with Article 108(a) and Article 108(b) of the Articles of Association, Ms. Wang Fen and Mr. Li Xiaohang shall retire from their offices as Directors at the Annual General Meeting. Ms. Wang Fen and Mr. Li Xiaohang, being eligible, will offer themselves for re-election at the Annual General Meeting.

In accordance with Article 112 of the Articles of Association, Mr. Chen Yichun will hold office only until the Annual General Meeting and being eligible, will offer himself for re-election at the Annual General Meeting.

The details of Mr. Chen Yichun, Ms. Wang Fen and Mr. Li Xiaohang are set out in Appendix I to this circular.

In considering the re-election of the Retiring Directors, the Board, with the assistance and recommendation from the Nomination Committee, has reviewed the structure, size, composition and diversity of the Board from a number of aspects, including but not limited to age, gender, geographical background, length of service and the professional experience, skills and expertise that a Director can provide. The Nomination Committee has recommended to the Board on re-election of all the Retiring Directors to retire at the Annual General Meeting.

The Board, taking into account the above factors, as well as Mr. Chen Yichun, Ms. Wang Fen and Mr. Li Xiaohang attributes to enhancing the Board's diversity and optimal composition (details as set out in their respective biographies in Appendix I hereto), is satisfied with their independence and believes that their re-election is in the best interests of the Company and the Shareholders. The Board accepted the recommendations from the Nomination Committee and recommends to the Shareholders the proposed re-election of all Retiring Directors at the Annual General Meeting.

LETTER FROM THE BOARD

3. PROPOSED GRANTING OF GENERAL MANDATES TO REPURCHASE SHARES AND TO ISSUE SHARES

Pursuant to the resolutions passed in the last annual general meeting held on 21 June 2024, the Directors were granted (i) a general mandate to exercise all the powers of the Company to repurchase Shares with an aggregate number of not exceeding 10% of the aggregate number of the Shares in issue as at the date of passing the resolutions; and (ii) a general mandate to allot, issue or deal with additional Shares of not exceeding 20% of the total number of issued Shares as at the date of passing the resolutions, and such general mandate was extended by adding the total number of Shares repurchased by the Company since the granting of the share repurchase mandate in (i) above.

Such mandates will lapse at the conclusion of the Annual General Meeting. In order to give the Company the flexibility to repurchase Shares and issue Shares if and when appropriate, ordinary resolutions will be proposed at the Annual General Meeting to approve:

- (i) the granting of the Share Repurchase Mandate to the Directors to exercise all the powers of the Company to repurchase Shares with an aggregate number of not more than 10% of the aggregate number of the Shares in issue (excluding Treasury Shares, if any) as at the date of passing of such ordinary resolution (i.e. 41,500,000 Shares, on the basis that the total number of issued Shares will remain unchanged on the date of the Annual General Meeting);
- (ii) the granting of the Issuance Mandate to the Directors to allot, issue or deal with additional Shares (including to sale or transfer Treasury Shares, if any) of not exceeding 20% of the total number of issued Shares (excluding Treasury Shares, if any) as at the date of passing of such ordinary resolution (i.e. 83,000,000 Shares on the basis that the total number of issued Shares will remain unchanged on the date of the Annual General Meeting); and
- (iii) the extension of the Issuance Mandate by adding the total number of Shares repurchased by the Company since the granting of the Share Repurchase Mandate.

Each of the Issuance Mandate and the Share Repurchase Mandate will remain in effect until the earliest of the following:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held under any applicable laws or the Articles of Association; or
- (iii) it is varied, revoked or renewed by an ordinary resolution of the Shareholders at a general meeting.

The Directors wish to state that they have no immediate plan to repurchase any Shares pursuant to the Share Repurchase Mandate or to issue any Shares (including to sell or transfer any Treasury Shares out of treasury, if any) pursuant to the Issuance Mandate.

LETTER FROM THE BOARD

An explanatory statement required by the Listing Rules to provide the Shareholders with the information reasonably necessary to enable such Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the granting of the Share Repurchase Mandate is set out in Appendix II to this circular.

The following is an explanatory statement required by Rule 10.06(1)(b) of the Listing Rules to provide the Shareholders with information reasonably necessary to enable such Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued Shares is 415,000,000 and the Company did not hold any Treasury Shares.

Subject to the passing of the ordinary resolution in respect of the granting of the Share Repurchase Mandate and on the basis that the total number of issued shares will remain unchanged on the date of the Annual General Meeting, being 415,000,000 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, up to 41,500,000 Shares, representing approximately 10% of the total number of issued Shares (excluding Treasury Shares, if any) as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that it is in the best interests of the Company and Shareholders for the Directors to receive the general authority from the Shareholders to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

3. FUNDING OF SHARE REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands.

Any payment for the repurchase of Shares will be drawn from the profits or share premium of the Company or from the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, subject to the Companies Act, out of capital and, in the case of any premium payable on the purchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the Companies Act, out of capital.

4. IMPACT OF SHARE REPURCHASE

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, under the circumstances, have a material adverse effect in the opinion of the Directors on the working capital requirements of the Company or its gearing levels. However, there might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2024 in the event that the Share Repurchase Mandate is exercised in full.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous twelve months up to and including the Latest Practicable Date were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2024		
April	0.445	0.390
May	0.590	0.390
June	0.590	0.520

September	0.590	0.335
October	0.690	0.410
November	0.620	0.410
December	0.550	0.420

February	0.475	0.365

April (<i>up to the Latest Practicable Date</i>)	0.470	0.380

6. REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.

7. GENERAL

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company or its subsidiaries.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Share Repurchase Mandate is exercised.

The Directors have undertaken that, so far as the same may be applicable, they will exercise the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands. The Directors consider that neither this explanatory statement on the Share Repurchase Mandate nor the Share Repurchase Mandate has any unusual features.

The Company may cancel such repurchased Shares or hold them as Treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

For any Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the Treasury Shares deposited with CCASS; (ii) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as Treasury Shares.

8. TAKEOVERS CODE

If as a result of a securities repurchase pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of the increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result.

As at the Latest Practicable Date, Redsun Services Group (Holdings) was entitled to exercise voting rights of approximately 72.77% of the total issued share capital of the Company.

If the Share Repurchase Mandate is fully exercised, then, the total number of Shares which will be repurchased pursuant to the Share Repurchase Mandate shall be 41,500,000 Shares (being 10% of the issued share capital of the Company based on the aforesaid assumptions). The percentage shareholding of Redsun Services Group (Holdings) will increase from approximately 72.77% to approximately 80.86% of the issued share capital of the Company immediately following the full exercise of the Share Repurchase Mandate. To the best knowledge and belief of the Directors, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a consequence of any repurchases pursuant to the Share Repurchase Mandate.

In the event that the Share Repurchase Mandate is fully exercised, the percentage of Shares held by the public would fall below the minimum prescribed level of 25% under the Listing Rules. However, the Directors have no present intention to exercise the Share Repurchase Mandate to such an extent that, under the circumstances, there would be insufficient public float as prescribed under the Listing Rules.
