LETTER FROM THE BOARD OF DIRECTORS

2. GENERAL MANDATES TO ISSUE SHARES AND TO REPURCHASE SHARES

Background

Pursuant to the ordinary resolutions passed by all shareholders of the Company (the “**Shareholders**”, each a “**Shareholder**”) at the annual general meeting of the Company held on 21 May 2007, the Directors were granted a general mandate to allot, issue and deal with Shares and a general mandate to repurchase Shares on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”). These mandates will expire at the conclusion of the forthcoming AGM.

At the AGM, among other businesses, the following ordinary resolutions will be proposed:

- (a) to grant a general mandate (the “**Issue Mandate**”) to the Directors to exercise the power of the Company to allot, issue and otherwise deal with new Shares up to a maximum of 20 per cent. of the aggregate nominal amount of the share capital of the Company in issue at the date of passing of such resolution;
- (b) to grant a general mandate (the “**Repurchase Mandate**”) to the Directors to enable them to repurchase the Shares up to a maximum of 10 per cent. of the aggregate nominal amount of the share capital of the Company in issue at the date of passing of such resolution on the Stock Exchange; and
- (c) to authorise the increase of the number of new Shares which may be allotted and issued under the Issue Mandate by an additional number representing such number of Shares actually repurchased under the Repurchase Mandate (such authorisation is referred to below as the “**Extension Mandate**”).

The Issue Mandate and the Extension Mandate

Shareholders are referred to the ordinary resolutions No. 5 and No. 7 in the notice of the AGM, as set out on pages 11 to 14, for details of the resolutions on these general mandates which will be considered at the AGM. With reference to these resolutions, the Directors have no immediate plans to allot and issue any new Shares other than Shares which may fall to be issued upon the exercise of options which may be granted under the share option scheme of the Company or pursuant to any scrip dividend scheme which may be approved by the Shareholders.

Subject to the passing of the proposed resolution for the grant of the Issue Mandate and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 93,522,400 Shares.

The Repurchase Mandate

Shareholders are referred to the ordinary resolution No. 6 in the notice of the AGM, as set out on pages 11 to 14, for details of the resolution on this general mandate which will be considered at the AGM. With reference to this resolution, the board of Directors of the Company (the “**Board**”) wishes to state that it has no immediate plans to repurchase any Shares pursuant to the Repurchase Mandate.

An explanatory statement, as required by the Rules Governing the Listing of Securities on the Stock Exchange (“**Listing Rules**”) to be sent to the Shareholders in connection with the Repurchase Mandate, is set out in the Appendix I to this circular. The explanatory statement contains all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the AGM.

7. RECOMMENDATIONS

The Directors believe that, the Issue Mandate, the Repurchase Mandate, the Extension Mandate and the re-election of Directors are in the best interests of the Company and the Shareholders.

An exercise of the powers under the Repurchase Mandate may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value and/or earnings per Share. Such an exercise will only be made when the Directors believe that such repurchase of Shares will benefit the Company and the Shareholders.

An exercise of the Repurchase Mandate in full could have a material adverse impact on the working capital and/or gearing position of the Company compared with that as at 31 December 2007, being the date of its latest audited consolidated financial statements. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

The Directors believe that an exercise of the Issue Mandate and the Extension Mandate to issue and allot new Shares will enable the Company to take advantage of market conditions to raise additional capital for the Company.

Accordingly, the Directors recommend that all Shareholders should vote in favour of the ordinary resolutions approving, the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate to the Directors and the re-election of Directors at the AGM.

Yours faithfully,
For and on behalf of
the board of Directors of
EcoGreen Fine Chemicals Group Limited
Yang Yirong
Chairman & President

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

1. Share capital

As at 10 April 2008, being the latest practicable date prior to the issue of this circular (the “**Latest Practicable Date**”), the issued share capital of the Company comprised 467,612,000 Shares.

Subject to the passing of the proposed resolution for the grant of the Repurchase Mandate and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 46,761,200 Shares.

2. Reasons for the repurchase

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases of Shares will benefit the Company and the Shareholders.

3. Funding of repurchases

Repurchase must be funded out of funds which are legally available for the purposes in accordance with the memorandum of association of the Company, the Articles of Association and the Companies Law, Chapter 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands (the “**Companies Law**”). A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose, or, if so authorised by its articles of association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be purchased must be provided for out of profits of the Company or out of the Company’s share premium account, or, if so authorised by its articles of association and subject to the provisions of the Companies Law, out of capital.

The Company will use its internal resources to finance purchases of its Shares. The Company does not intend to incur any borrowings or issue any fresh equity in order to specifically finance the purchase of Shares.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2007, being the date of its latest audited consolidated financial statement. However, the Directors do not intend to make any repurchases to such an extent as would, in circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company, which in the opinion of the Directors are from time to time appropriate for the Company.

4. Share prices

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

5. The Takeovers Code and minimum public holding

If a shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase securities pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Hong Kong Code on Takeovers and Mergers (the "**Takeovers Code**"). As a result, a shareholder or group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the SFO (Chapter 571 of the Laws of Hong Kong) and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following persons (“**Substantial Shareholders**”) were directly or indirectly interested in 5% or more of the issued capital of the Company:

Name	Beneficial owner	Investment Manager	Number of shares held		Total	% of the issued share capital of the Company

Notes:

- (a) These shares were registered in the name of and beneficially owned by Marietta Limited, the entire issued share capital of which was directly and beneficially owned by Mr. Yang Yirong.
- (b) These shares were registered in the name of and beneficially owned by Value Partners Limited, approximately 35.65% of the issued share capital of which was indirectly and beneficially owned by this Substantial Shareholder.
- (c) These shares were registered in the name of and beneficially owned by Value Partners Limited, the entire issued share capital of which was directly and beneficially owned by this Substantial Shareholder.
- (d) Trustee.
- (e) Interest of a substantial shareholder’s spouse.

On the basis of the current shareholding held by each of the Substantial Shareholders set out above, except Marietta Limited and Yang Yirong, each of the Substantial Shareholders will not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate is exercised in full. In the opinion of the Directors, the increase of percentage shareholdings of Marietta Limited and Yang Yirong may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeover Code. The Directors have no present intention to exercise the Repurchase Mandate to such an extent as would result in takeover obligations under the Takeover Code.

Assuming that there is no issue of Shares between the Latest Practicable Date and the date of a repurchase and no disposal by any of Substantial Shareholders of its and his interests in the Shares, an exercise of the Repurchase Mandate, whether in part or in full, will not result in less than 25% of the Shares being held by the public. Moreover, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

6. Share repurchase made by the Company

The Company repurchased a total of 2,278,000 Shares on the Stock Exchange in the previous six calendar months prior to the Latest Practicable Date. These repurchased Shares were cancelled. Details of such repurchases were as follow:

7. Undertaking

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective associates (as defined in the Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any shares to the Company or its subsidiaries.

No connected person of the Company has notified the Company that he has a present intention to sell any securities to the Company nor has any such connected person undertaken not to sell any of the securities held by him to the Company in the event that the Repurchase Mandate is granted.
