LETTER FROM THE BOARD

Recommendations of the Nomination Committee

The Nomination Committee has assessed the independence of each of the independent non-executive Directors (including Mr. Wang Ping) based on the independent criteria as set out in Rule 3.13 of the Listing Rules by reviewing the written confirmation of independence for 2021 submitted to the Company by each of them, and confirmed that all of them are independent.

In accordance with code provision B.2.3 (former code provision A.4.3) of the Corporate Governance Code as set out in Appendix 14 to the Listing Rules, if an independent non-executive director has served more than nine years, such director's further appointment should be subject to a separate resolution to be approved by shareholders. In view that Mr. Wang Ping has been an independent non-executive Director for more than nine years, his re-election and further appointment as an independent non-executive Director shall be subject to a separate resolution to be considered and approved by the Shareholders at the Annual General Meeting.

Although Mr. Wang has served the Company for more than nine years, there is no possibility to affect his independence as an independent non-executive Director. Mr. Wang does not participate in the daily management of the Company, nor anything to interfere with the exercise of his independent judgment. The Board believes that Mr. Wang remains independent and will continue to perform his duties as an independent non-executive Director although his long term of service. The Board believes that the continued tenure of Mr. Wang will maintain the stability of the Board to certain extent and that the Board would benefit significantly from the long-standing and valuable insights provided by Mr. Wang to the Group.

In addition, the Nomination Committee has assessed and are satisfied with the performance of each of the retiring Directors for the year ended 31 December 2021. Therefore, the Nomination Committee nominated the retiring Directors to join the Board and recommended the Shareholders to re-elect them as Directors at the Annual General Meeting.

In particular, the Nomination Committee is also of the view that the Directors who are proposed to be subject to re-election at the Annual General Meeting would bring to the Board their own perspectives, skills and experience, as further described in their biographies in Appendix I to this circular. Based on the board diversity policy adopted by the Company, the Nomination Committee considers that each of the Directors who will be subject to re-election (namely Dr. Qiu Yumin, Mr. Xia Zhuo and Mr. Wang Ping) can contribute to the diversity of the Board, in particular, with their strong and diversified educational background and professional experience in their expertise, including their in-depth knowledge in the mining industry, legal and compliance, financial management, investor relations, investments strategies, international experience and connections in various industries.

Therefore, in response to the recommendation of the Nomination Committee, the Board recommended all retiring Directors (namely Dr. Qiu Yumin, Mr. Xia Zhuo and Mr. Wang Ping) to be re-elected as Directors at the Annual General Meeting. As a good corporate governance practice, each of the retiring Directors will abstain from voting at the relevant Board meeting on the relevant resolution to recommend their re-election by the Shareholders at the Annual General Meeting.

LETTER FROM THE BOARD

Details of the retiring Directors who offered themselves for re-election at the Annual General Meeting are set out in Appendix I to this circular. Further information on the composition and the diversity of the Board and the attendance records of the Directors (including the retiring Directors) at the Board meetings and/or the meetings of the committees under the Board and general meetings are disclosed in the Corporate Governance Report as contained in the 2021 Annual Report of the Company.

DECLARATION OF FINAL DIVIDEND

At the meeting of the Board held on Tuesday, 22 March 2022, it was proposed that a final dividend of the Company of HK\$0.12 per Share for the year ended 31 December 2021 will be paid to the Shareholders whose names appear on the register of members of the Company on Wednesday, 8 June 2022, subject to the Shareholders' approval at the Annual General Meeting.

A resolution will be proposed at the Annual General Meeting to approve the final dividend. Subject to the passing of such resolution, the final dividend is expected to be paid to the Shareholders by 15 June 2022.

No Shareholder is required to abstain from voting at the Annual General Meeting.

LETTER FROM THE BOARD

GENERAL

The English text of this circular, the notice of the Annual General Meeting and the form of proxy for use at the Annual General Meeting shall prevail over the Chinese text in case of inconsistency.

The following is an explanatory statement required to be sent to the Shareholders by the Listing Rules in connection with the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the share capital of the Company in issue comprised 1,960,000,000 Shares of nominal value of HK\$0.10 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to repurchase a maximum of 196,000,000 Shares which represent 10% of the number of the issued shares of the Company during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the revocation or variation of the authority by an ordinary resolution of the Shareholders at a general meeting of the Company.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. Under the laws of the Cayman Islands, repurchases by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles of Association and subject to the provisions of the laws of the Cayman Islands, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles of Association and subject to the provisions of the laws of the Cayman Islands, out of capital.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may not have an adverse impact on the working capital and/or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2021, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make purchases under the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person, as defined in the Listing Rules, has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Ms. Yang Min ("Ms. Yang") was deemed to be interested in a long position of 6,025,000 Shares and Mr. Yang Jiye ("Mr. Yang"), the son of Ms. Yang, was deemed to be interested in a long position of 1,314,061,666 Shares within the meaning of Part XV of the SFO, representing a total of approximately 67.35% of the issued share capital of the Company. In the event that the Directors exercised in full the Repurchase Mandate, the aggregate interests of Ms. Yang and Mr. Yang in the Company will be increased to approximately 74.83% of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase will not give rise to an obligation to make a mandatory offer under the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

Within the 6 months prior to the Latest Practicable Date, the Company or its subsidiaries did not sell or redeem any listed securities of the Company.
