DISCLOSEABLE TRANSACTION PURCHASE OF EQUIPMENT AND MACHINERY

PURCHASE OF EQUIPMENT AND MACHINERY

The Board is pleased to announce that the Group, through an indirect wholly-owned subsidiary, entered into the Agreement with the Supplier on 28 August 2020, for the purchase of equipment and machinery in relation to a production line for the production of cylindrical batteries at an aggregate purchase price of RMB16,000,000 (equivalent to approximately HK\$17,600,000).

LISTING RULES IMPLICATIONS

As none of the applicable percentage ratio(s) in respect of each of the Previous Purchase Agreements exceed 5%, the entering into the Previous Purchase Agreements themselves does not constitute a notifiable transaction of the Company under Chapter 14 of the Listing Rules.

As the Group entered into the Previous Purchase Agreements and the Agreement with the Supplier within a 12-month period, the Previous Purchase Agreements and the Agreement are considered and aggregated as a series of transactions.

As one or more of the applicable percentage ratios in respect of the Purchase Agreements are more than 5% but less than 25%, the Purchase Agreements constitutes a discloseable transaction of the Company and is subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

INTRODUCTION

The Board is pleased to announce that the Purchaser, an indirect wholly-owned subsidiary of the Group, entered into the Agreement with the Supplier on 28 August 2020, for the purchase of equipment and machinery at an aggregate purchase price of RMB16,000,000 (equivalent to approximately HK\$17,600,000).

THE PURCHASE AGREEMENTS

The Purchase Agreement

1. Date and Parties

Date : 28 August 2020
Purchaser : the Purchaser
Supplier : the Supplier

2. Equipment and machinery to be acquired

Pursuant to the Agreement, the Purchaser has agreed to purchase from the Supplier one set of a newly designed and automatic production line for producing mercury-free, cadmium-free and lead-free cylindrical batteries.

3. Consideration

The total consideration for the purchase of the equipment and machinery under the Agreement shall be RMB16,000,000 (equivalent to approximately HK\$17,600,000), and shall be paid by the Purchaser by bank transfer. The payment shall be made according to the following schedule:

- (i) 25% of the consideration, being RMB4,000,000 (equivalent to approximately HK\$4,400,000), shall be paid upon the signing of the Agreement as deposit;
- (ii) 25% of the consideration, being RMB4,000,000 (equivalent to approximately HK\$4,400,000), shall be paid upon preliminary inspection after the production of the equipment and machinery;
- (iii) 20% of the consideration, being RMB3,200,000 (equivalent to approximately HK\$3,520,000), shall be paid upon delivery of the equipment and machinery to the Purchaser's factory;
- (iv) 20% of the consideration, being RMB3,200,000 (equivalent to approximately HK\$3,520,000), shall be paid upon passing of the tests of the equipment and machinery; and

- (v) final balance of 10% of the consideration, being RMB1,600,000 (equivalent to approximately HK\$1,760,000), shall be paid within six (6) months after passing of the tests of the equipment and machinery.

The total consideration of the Agreement was arrived after arm's length negotiations between the Purchaser and the Supplier on normal commercial terms with reference to the current market price of the equipment and machinery of similar functions and capabilities. Having considered the current market value and the functionality of the equipment and machinery to be acquired under the Agreement, the Directors are of the view that the consideration under the Agreement is fair and reasonable and in the interests of the Company as a whole.

4. *Delivery terms*

The equipment and machinery under the Agreement shall be delivered within 390 days from the date of the Agreement and the Supplier shall be responsible to deliver a production line ready for commercial production within 480 days after the date of the Agreement. Acceptance tests will be done by the Group upon delivery and installation of the equipment and machinery.

The March 2020 Purchase Agreement

On 21 March 2020, the Purchaser entered into the March 2020 Purchase Agreement with the Supplier on identical terms as those set out in the December 2019 Purchase Agreement.

SOURCE OF FUNDING

The Agreement will be funded through internal resources of the Group and bank borrowing to be obtained by the Company, which is readily available for the Company to utilise for financing the purchase made under the Agreement.

REASONS FOR AND BENEFITS OF THE PURCHASE AGREEMENTS

The equipment and machinery to be acquired under the Agreement are mainly for the purpose of developing a new production line for the production of environmental friendly, mercury-free, cadmium-free and lead-free cylindrical batteries and upgrading the product quality of alkaline batteries. The Directors are of the view that the equipment and machinery to be acquired, upon their commencement of commercial production, will increase the production capacity and upgrade the technical specifications the alkaline batteries by the Group.

As mentioned in the 2019 annual report of the Company dated 16 April 2020, the Group will continue to invest in its production facilities and upgrade the production lines in order to enhance the production capacity and efficiency in 2020 and to improve the production efficiency and product quality to meet the Group's plan for future expansion. The Directors are of the view that it is critical for the Group to keep abreast with the technological advancement in the battery industry in order to compete with other battery

manufacturers in the long run. As such, the Directors believe that it is necessary to acquire the equipment and machinery under the Purchase Agreements for producing alkaline batteries with higher level of automation, improved cost efficiency and productivity to strengthen the competitiveness of the Group. The acquisition under the Agreement is one of the measures for the Group to upgrade its production process and increase its product range as well as production capacity in the production of alkaline batteries with the plan to increase the Group's market share in alkaline batteries.

In view of the above, the Directors are of the view that the terms of the Purchase Agreements are on normal commercial terms and are fair and reasonable. The Directors also consider that the Purchase Agreements are in the interests of the Company and the Shareholders taken as a whole.
