Board has confirmed that having made all reasonable enquiries, no shareholder of the Company is required to abstain from voting on any of the above mentioned proposed resolutions at the forthcoming Annual General Meeting.

### **I. GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES**

At the last annual general meeting of the Company held on 3rd June, 2009, the Directors were granted a general mandate to exercise the powers of the Company to repurchase issued Shares and a general mandate to issue new Shares in the capital of the Company. At an extraordinary general meeting of the Company held on 7th October, 2009, the Directors were granted a refreshed general mandate to exercise the powers of the Company to issue new Shares. These general mandates will lapse at the conclusion of the Annual General Meeting. The Directors therefore propose to seek your approval of the ordinary resolutions to be proposed at the Annual General Meeting to grant general mandates to the Directors to exercise the powers of the Company to repurchase issued Shares and to issue new Shares in the capital of the Company.

Resolution No. 5 as set out in the notice of the Annual General Meeting will be proposed at the Annual General Meeting as an ordinary resolution to grant to the Directors the Repurchase Mandate. An explanatory statement, as required to be disclosed by the Listing Rules, is set out in Appendix I to this circular. The explanatory statement contains all the information necessary to enable you as Shareholders to make an informed decision on whether or not to vote for or against the ordinary resolution to grant the Repurchase Mandate to the Directors at the Annual General Meeting.

Resolutions Nos. 4 and 6 as set out in notice of the Annual General Meeting will be proposed at the Annual General Meeting as ordinary resolutions to grant to the Directors the Issue Mandate extended by adding the amount of any Shares repurchased by the Company under the Repurchase Mandate.

### **II. RE-ELECTION OF RETIRING DIRECTORS**

Resolution No. 2 as set out in the notice of the Annual General Meeting will be proposed at the Annual General Meeting as an ordinary resolution to re-elect retiring Directors.

## LETTER FROM THE BOARD

### III. PROPOSED REFRESHMENT OF THE LIMIT UNDER THE SHARE OPTION SCHEME

Resolution No. 7 as set out in the notice of the Annual General Meeting will be proposed at the Annual General Meeting as an ordinary resolution to approve the Proposed Refreshment.

The Share Option Scheme was adopted by the Shareholders on 15th June, 2006. Pursuant to the Share Option Scheme, the Directors were authorized to grant options to the Participants to subscribe for Shares thereunder and to allot, issue and deal with Shares pursuant to the exercise of the options granted under the Share Option Scheme, and the maximum number of Shares to be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Company must not in aggregate exceed such number of Shares as shall represent 30% of the Shares in issue from time to time.

Under the current limit of the Share Option Scheme, the Company may grant options for subscription of up to 10% of the total number of Shares in issue as at the date when the Share Option Scheme limit was refreshed upon approval by the Shareholders at an annual general meeting of the Company held on 27th May, 2008. The total number of Shares issued as at 27th May, 2008 was 283,030,000 Shares and hence 10% thereof is 28,303,000 Shares (the “**Scheme Limit**”).

Unless approved by the Shareholders in general meeting, the total number of Shares issued and to be issued upon exercise of the options granted to each Participant (including both exercised, cancelled and outstanding options) under the Share Option Scheme and any other share option schemes of the Company in any 12 month period must not exceed 1% of Shares in issue from time to time.

Since approval of the Scheme Limit on 27th May, 2008 and up to the Latest Practicable Date, the total number of Shares issued and to be issued upon exercise of options granted under the Share Option Scheme is 29,400,695 Shares, of which 34,963,731 Shares relate to options which were granted, of which 23,909,000 Shares relate to options which were exercised, of which 5,563,036 Shares relate to options which had lapsed, and of which 5,491,695 Shares relate to options which were outstanding (representing 12.35%, 8.45%, 1.97% and 1.94% respectively of the issued share capital of the Company as at 27th May 2008; and representing 4.12%, 2.81%, 0.65% and 0.65% respectively of the issued share capital of the Company as at the Latest Practicable Date) and no options were cancelled.

#### **Reasons for the Proposed Refreshment**

The purpose of the Share Option Scheme is to enable the Company to grant options to selected persons as incentives or reward for their contributions to the Group.

As at the Latest Practicable Date, there remains 403,000 Shares available for subscription pursuant to options which the Company may grant to the Participants under the Scheme Limit, representing respectively 0.14% of the issued share capital of the Company as at 27th May, 2008 and 0.05% of the issued share capital of the Company as at the Latest Practicable Date. The Directors consider that the Share Option Scheme is a cost effective way to reward the Participants who have made contributions to the Group and the Company should refresh the Scheme Limit so that the Company could have more flexibility to provide incentives to and motivate those Participants under the Share Option Scheme by way of granting options to them.

## **LETTER FROM THE BOARD**

Upon approval of the Proposed Refreshment at the Annual General Meeting, based on the 849,461,000 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or repurchased up to the date of the Annual General Meeting, the Company will be authorized to grant options under the Share Option Scheme for subscription of up to a total of 84,946,100 Shares, representing 10% of the issued share capital of the Company as at the date of the Annual General Meeting. Any remaining available options that are not granted under the Scheme Limit will lapse upon the approval of the Proposed Refreshment at the Annual General Meeting.

As at the Latest Practicable Date, the Company has not adopted any share option schemes other than the existing Share Option Scheme.

### **Conditions of the Proposed Refreshment**

The Proposed Refreshment is conditional upon :

- (a) the passing of the ordinary resolution by the Shareholders at the Annual General Meeting to approve the Proposed Refreshment; and
- (b) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in any new Shares which may be issued and allotted upon the exercise of the subscription rights attaching to the options that may be granted under the refreshed limit of the Share Option Scheme, up to 10% of the issued share capital of the Company as at the date of the passing of the relevant resolution at the Annual General Meeting.

Application will be made to the Stock Exchange for granting approval of the listing of, and permission to deal in, the new Shares which may be issued and allotted upon the exercise of the options that may be granted under the refreshed limit of the Share Option Scheme.

### **IV. ANNUAL GENERAL MEETING**

The notice convening the Annual General Meeting to be held at 36/F., No. 1 Hung To Road, Kwun Tong, Kowloon, Hong Kong on Tuesday 1st June, 2010 at 2:30 p.m. is set out on pages 16 to 19 of this circular.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. Accordingly, the chairman of the Annual General Meeting will demand a poll for every resolution put to the vote at the Annual General Meeting pursuant to article 66 of the Articles of Association. Additionally, the Company will announce the results of the poll in the manner prescribed under Rule 13.39(5) of the Listing Rules.

## LETTER FROM THE BOARD

### RECOMMENDATION

The Directors consider that the granting of the general mandates to issue and repurchase Shares, the re-election of retiring Directors and the refreshment of the limit under the Share Option Scheme are in the interests of the Company and the Shareholders as a whole and recommend Shareholders to vote in favour of the resolutions to approve the same at the Annual General Meeting.

Your attention is also drawn to the additional information set out in the appendices to this circular.

### RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquires, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

Yours faithfully,  
By Order of the Board of  
**New Environmental Energy Holdings Limited**  
**Ngok Yan Yu**  
*Chairman*

*The following serves as an explanatory statement in compliance with the Listing Rules to give all the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant to the Directors the Repurchase Mandate.*

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company was HK\$84,946,100 comprising 849,461,000 Shares.

Subject to the passing of the relevant ordinary resolution to approve the Repurchase Mandate (as set out in Resolution No. 5 of the notice of the Annual General Meeting) and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, exercise in full of the Repurchase Mandate would result in the repurchase by the Company of a maximum of 84,946,100 Shares during the period as set out in Resolution No. 5 of the notice of the Annual General Meeting, representing not more than 10% of the issued share capital of the Company as at the Latest Practicable Date.

## **2. REASONS FOR REPURCHASES**

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value and/or earnings per share of the Company and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

## **3. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association, the Listing Rules, the Companies Law and all applicable laws of the Cayman Islands and any other applicable laws. A company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Any repurchases may be made out of funds which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose, or if so authorized by the Articles of Association and subject to the Companies Law, out of capital. Any premium on a repurchase may be made out of funds which would otherwise be available for dividend or distribution or out of the Company's share premium account, or if so authorized by the Articles of Association and subject to the Companies Law, out of capital.

There might be material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the 2009 annual report), in the event that the Repurchase Mandate was to be exercised in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would in the circumstances have a material adverse impact on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

#### 4. SHARE PRICE

The highest and lowest closing prices at which the Shares have been traded on the Stock Exchange in each of the twelve months preceding the Latest Practicable Date and up to the Latest Practicable Date were as follows:

	<b>Highest</b> <i>HK\$</i> <i>(Per Share)</i>	<b>Lowest</b> <i>HK\$</i> <i>(Per Share)</i>
<b>Year 2009</b>		
April	0.35	0.30
May	0.67	0.33
June	0.81	0.58
July	0.80	0.55
August	0.82	0.58
September	1.86	0.98
October	2.33	1.80
November	2.51	2.13
December	2.61	2.06
<b>Year 2010</b>		
January	2.24	1.77
February	2.25	1.99
March	2.23	2.08
1st April (up to the Latest Practicable Date)	2.20	1.96

#### 5. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSON

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate in the event that such mandate is approved by Shareholders.

No connected person (as defined in the Listing Rules), has notified the Company that he/she has a present intention to sell any Shares to the Company, nor has he/she undertaken not to do so in the event that the Repurchase Mandate is approved by Shareholders.

#### 6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, all applicable laws of the Cayman Islands and the Articles of Association of the Company.

## 7. EFFECT OF THE CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Rule 32 of the Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meanings of the Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Code for all Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, Simple Success Investments Limited, together with parties presumed to be acting in concert with it, which include namely, Best View Enterprises Limited (hereinafter altogether the "Simple Success Concert Group") beneficially held 148,400,000 Shares, representing 17.47% of the issued share capital of the Company. To the best of the knowledge of the Company, no other person, together with any of its associates, was beneficially interested in Shares representing 10% or more of the entire issued share capital of the Company as at the Latest Practicable Date.

Assuming that there will be no change to the issued share capital of the Company since the Latest Practicable Date and up to the date of the repurchase, in the event that the Directors exercise in full the power to repurchase Shares of the Company under the Repurchase Mandate, if so approved, in accordance with the terms of Resolution No. 5 as set out in the notice of the Annual General Meeting, the attributable aggregate shareholding of the Simple Success Concert Group in the Company would be increased to approximately 19.41% of the issued share capital of the Company. Such increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Code. The Directors are not aware of any consequence which will arise under the Code as a result of any repurchases to be made under the Repurchase Mandate. Moreover, in the event that the Repurchase Mandate is implemented in full, the number of Shares held by the public would not fall below 25% of the issued share capital of the Company.

## 8. SHARES REPURCHASES MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
