PROPOSED SHARE PREMIUM REDUCTION

As announced by the Company in its announcement dated 28 March 2017 regarding the final results of the Group for the year ended 31 December 2016, the Board recommended the payment of the Final Dividend and the Special Dividend to the Shareholders whose names appear on the register of members of the Company at the close of business on the Record Date. As announced by the Company in its announcement dated 28 March 2017 regarding the final results of the Group for the year ended 31 December 2016, the Board recommended the payment of the Final Dividend and the Special Dividend to the Shareholders whose names appear on the register of members of the Company at the close of business on the Record Date. The Final Dividend and the Special Dividend are intended to be funded through and paid out of the Share Premium Reduction and thus, the payment of the Final Dividend and the Special Dividend is subject to and conditional upon the approval of the Share Premium Reduction by the Shareholders at the 2017 AGM.

THE PROPOSED SHARE PREMIUM REDUCTION

The Board intends to put forward to the Shareholders a proposal to reduce the share premium of the Company pursuant to the laws of Bermuda and the Bye-laws. The amount standing to the credit of the Share Premium Account as at 31 December 2016, based on the audited consolidated financial statements of the Company, was HK\$10,115,153,000. It is proposed that the amount of HK\$600,000,000 standing to the credit of the Share Premium Account be reduced in accordance with section 46 of the Companies Act and Bye-law 6 of the Bye-laws

and that the credit arising therefrom be transferred to the Contributed Surplus Account, subject to the conditions set out in the section headed “Conditions of the Share Premium Reduction”.

REASONS FOR THE SHARE PREMIUM REDUCTION

Pursuant to the Companies Act and the Bye-laws, subject to the Solvency Test, the Company may pay dividends or make distributions to its members out of contributed surplus. The Share Premium Reduction and the subsequent transfer of the credit arising therefrom to the Contributed Surplus Account will therefore increase the distributable reserves of the Company, thereby giving the Company greater flexibility in its dividend policy and making distributions to the Shareholders in the future, including the payment of the Final Dividend and the Special Dividend to the Shareholders.

The Board considers that it is in the interest of the Company and the Shareholders as a whole to implement the Share Premium Reduction.

EFFECTS OF THE SHARE PREMIUM REDUCTION

The Share Premium Reduction does not involve any reduction in the authorised or issued share capital of the Company nor does it involve any reduction in the nominal value of the Shares or the trading arrangements concerning the Shares.

Save for the expenses to be incurred in relation to the Share Premium Reduction, the Board considers that the implementation of the Share Premium Reduction will not, in itself, have material adverse effect on the underlying assets, business operations, management or financial position of the Company or the proportionate interests of the Shareholders in the underlying assets of the Company.

The Directors are of the view that there are no reasonable grounds for believing that the Company is, or after the Share Premium Reduction becoming effective would be, unable to pay its liabilities as they become due.

CONDITIONS OF THE SHARE PREMIUM REDUCTION

The Share Premium Reduction is conditional upon, *inter alia*, the following being fulfilled:

- (a) the passing of a special resolution by the Shareholders to approve the Share Premium Reduction at the 2017 AGM;
- (b) compliance with the requirements of section 46(2) of the Companies Act to effect the Share Premium Reduction; and
- (c) the Directors having satisfied that on the Effective Date, there are no reasonable grounds for believing that the Company is, or after the Effective Date will be, unable to pay its liabilities as they become due.

Subject to the fulfillment of the above conditions, it is expected that the Share Premium Reduction shall become effective on the first business day immediately following the date of passing of the special resolution to approve the Share Premium Reduction at the 2017 AGM (i.e. 22 May 2017).

2017 AGM

As no Shareholder has an interest in the Share Premium Reduction which is different from other Shareholders, no Shareholder is required to abstain from voting on the special resolution proposed at the 2017 AGM to consider and approve the Share Premium Reduction. A circular containing, *inter alia*, the details of the Share Premium Reduction and a notice convening the 2017 AGM will be despatched to the Shareholders in due course in accordance with the Listing Rules.
