### POSITIVE PROFIT ALERT ANNOUNCEMENT

This announcement is made by China Everbright Greentech Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, having reviewed the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 and other information currently available to the Board, it is expected that the net profit of the Group will turn from a net loss of approximately HK\$505 million for the year ended 31 December 2024 to a net profit of no more than HK\$55 million for the year ended 31 December 2025.

The expected turnaround from net loss to net profit was mainly attributable to decrease in impairment losses on goodwill, intangible assets, property, plant and equipment and right-of-use assets as compared to the impairment losses for the year ended 31 December 2024. Such decrease in the impairment losses is mainly due to stabilisation in the hazardous and solid waste treatment business market condition, improved operational performance following intensive management measures and cost optimisation initiatives and more favorable market outlook following the recognition of significant impairment loss in the previous year.

The information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 and the information currently available, which have not been audited or reviewed by the auditor of the Company nor reviewed by the audit and risk management committee of the Board and may be subject to adjustments. Details of the financial information and performance of the Group for the year ended 31 December 2025 will be disclosed in the annual results announcement of the Company for the year ended 31 December 2025, which is expected to be published by the end of March 2026.

**Shareholders and potential investors should exercise caution when dealing in the shares of the Company.**
